Materials Safety Data

Document No. : INUK3RD-001-2211_IndiTherm_MaterialsSafetyData

Date: Nov 2022

1. Information on Substance and Company

Description of product :

Crop-based fibrous insulating batts for the building industry

Manufacturer / Supplier :

Industrial Nature UK Ltd, trading as IndiNature

Emergency phone :

+44 (0) 1835 867 070

2. Information on Ingredients

Ingredients :

Industrial hemp fibre
10% polyester fibre
<1% sodium carbonate

3. Hazards Identification

Health :

This product involves no particular risks. Apply the same safety measures against dust as when processing wood.

4. First Aid Measures

General information : no special risks

Inhalation : --

Skin contact : --

Eye contact : --

Ingestion : --

5. Fire-Fighting Measures

Suitable extinguishing media : water, CO2

Unusual fire & explosion hazards : none

Hazardous combustion products : none known

6. Accidental release measures

Personal protective measures : not necessary

Environmental measures : not necessary

7. Handling and Storage

Storage precautions : keep in a dry place

8. Exposure Controls / Personal Protection

Ventilation : none

Protective equipment : not necessary

Respirators : not necessary

Protective gloves : not necessary

Eye protection : not necessary not necessary

9. Disposal Information

Reuse : possible

Reprocess: possible at manufacturer's facility

Incineration : possible
